

BUILD YOUR OWN WEB PAGE

The price of a web site varies from only \$1,500 to \$2,000. You build it according to your needs.

That's a bargain at the price it would cost to have a comparable site built by someone else for you! (Averages around \$3,000 to \$5,000.)

- You don't need to know html codes nor buy a web site program.
- You have complete control over your web site and its contents. Changes needed are quick and easy. On your time schedule!
- Free tech support with either toll free number or while you are on line.
- Make money advertising your web site, products and services with a secure shopping cart.
- Extra features can be added at any time such as flash elements (with no additional or hidden costs). Even after your site is built. (Tech support too.)
