Re: Government funding of vaccines for Avian Flu and Ebola----- Vaccines THEMSELVES GUARANTEE to cause a PANDEMIC

Its one thing to create a vaccine for an ordinary flu virus, and altogether ANOTHER thing to create a vaccine, especially a NASALLY ADMINISTERED vaccine which will cause SNEEZING for a virulent disease like Avian Flu which the Centers for Disease Control says has a "76%" death rate for those infected. Don't you REALIZE that 1 out of 1000 people gets the disease that a vaccine is intended to protect AGAINST?

Don't believe it? You'd BETTER: Between 1988- 1995, the US Government has paid out \$ \$57,589,828.07 to individuals and families of individuals who were killed or maimed by vaccinations. You can see this for yourself on this government website [http://www.hrsa.gov/osp/vicp/monthly\\_stats\\_post.htm](http://www.hrsa.gov/osp/vicp/monthly_stats_post.htm)

I realize PAC Donations from Drug Companies are dumped into congressional campaign coffers on a routine basis to grease the rails for this sort of corruption, but things have GONE TOO FAR!!

I want Congress to push for a FEDERAL INJUNCTION to STOP NIH and MedImmune Inc. from continuing this MINDLESS government funded research to create a nasally administered Avian Flu vaccine: <http://phx.corporate-ir.net/phoenix.zhtml?c=83037&p=irol-investornewsArticle&ID=762012&highlight=MedImmune> to Collaborate With National Institutes of Health to Develop Pandemic Influenza Vaccine

And I want Congress to push for a FEDERAL INJUNCTION to stop this effort to create a vaccine for Ebola <http://www.genomenewsnetwork.org/articles/2004/03/19/ebola.php> and any other government funded vaccine programs that threaten to CAUSE pandemics of diseases for which there is no natural immunity. You are threatening the LIVES of millions of people world wide through your actions. We saw FEMA in "action" in New Orleans, and the last thing we want or are willing to ACCEPT is a vaccine caused pandemic that would trigger off martial law.

I DEMAND that members of Congress HELP to COUNTERACT the mainstream news spin on this issue by alerting constituents to REFUSE all vaccines and to instead take steps to strengthen their immune systems via strategies such as the one discussed in this article: PREPARE FOR AN AVIAN INFLUENZA! <http://www.cqs.com/influenza.htm>

In the event that you fail to listen, and vaccines trigger a pandemic, I will OPPOSE any effort made by FEMA to force vaccinate myself and my family.

In the event that Martial Law is declared due to this government mindlessness, I will be WELL PREPARED to defend myself against any ADDITIONAL efforts by the US Government to IMPOSE ITS WILL ON ME. I am AWARE of the CONCENTRATION CAMPS waiting in the wings: <http://www.apfn.org/apfn/camps.htm> but would prefer to REMAIN in my own home. Please awaken to the HIGH TREASON being perpetrated against us, and please honor your OATH by helping us STOP IT.
