BOARD NEWS MISSION STATEMENT

Federal/International: Contact your Senators and Representatives about the FDA being out of compliance with US law and their Trilateral Cooperation Charter (with Canada and Mexico) and multinational pharmaceutical corporations taking away you're access to supplements. Please see Trilateral article on page 11. A must is to order the award winning DVD, *We Became Salient*, from www.iahf.com

It takes constant vigilance on our part to keep abreast of changes on the federal and state level. That is why your support of PfAM is vital to help us pay overhead and expand our network. Your continued support will determine to what degree this grassroots organization can work for you!

We have had an exciting year of challenges and growth. PfAM will continue to work and serve you. PfAM has archived articles and materials available for sale on our web site.

Please encourage others to join and renew when your membership is due. (See form on outside page.) Donations and sponsorships are also welcomed. Please help us strengthen our voices.

Thank you for your support!!!!

PfAM

The PfAM is a strong grass roots organization dedicated to informing patients and concerned individuals about issues which impact access to alternative health care providers, availability of foods supplements, and the safety and nutritional value of foods.

ABOUT PfAM

Founder **Leanne Wylet** earned her degree in psychology and sociology. She has experience as an advocate for disabled and as a consultant re: health insurance and related issues. She has created a variety of marketing tools for alternative health care providers and the public at large. She is available as a consultant and/or speaker.

Editor: **Helen Lawler** went to be with the Lord October 12. She will be greatly missed! Harold Redfield who had already been doing some of the editing will now be doing most of it. Thank you Harold!

Unless we put medical freedom into the Constitution, the time will come when medicine will organize into an undercover dictatorship to restrict the art of healing to one class of men and deny equal privileges to others. The Constitution of this Republic should make a special provision for medical freedom as well as religious freedom.

-Dr. Benjamin Rush, signer of the Declaration of Independence.
