For the first time ever, a book on medicinal mushrooms from the doctor's perspective.

No one knows the health benefits of medicinal mushrooms better than the doctor that successfully uses mushroom supplements in their clinical practice to promote and protect the good health of their patients.

Dr. Stengler, best selling author and naturopathic doctor, has been using medicinal mushroom supplements in his clinical practice for years. Combining his years of clinical experience with extensive research into the science of medicinal mushrooms and natural remedies, Dr. Stengler has created a unique and revolutionary new book on medicinal mushrooms.

Dr. Stengler teaches the reader how to evaluate the quality of mushroom supplements, which mushroom supplements to use for particular health benefits, and how to use mushroom supplements for best results. Now everyone can be an expert on the health benefits of medicinal mushrooms.
